THE PROGRAM

The speaker scheduled for the program today was unable to make it. Jane opened the floor for discussion.

As the board prepares to meet in the next few weeks and as another Optimist year begins board members were looking for feed back from members as far as their vision for the Club. Jane asked where members wanted the club to go in reference to membership, the programs we support, fundraising and any other areas.

A large portion of the discussion centered around member-

ship and how LBO's survival depends on membership. Other Optimist echoed the importance of membership and bringing diversity to the club. Jane also asked members for their thoughts on Honor/Distinguish Club. Overall the thoughts shared were favorable to continuing Honor/Distinguish Club and the reason behind it.

If you have any thoughts or ideas about the vision and growth of LBO, please contact Jane Harris at GI-JANE@aol.com.
